

Dear Flexible Trainee,

**Re: Changes to the Arrangements for the Administration and Funding of Flexible Training**

With effect from 1<sup>st</sup> April 2011, the London and KSS Deaneries will be solely responsible for the administration and funding of Flexible Training placements within their respective geographic boundaries, for all grades and specialties.

**StRs (Core and Higher) and SpRs for all Specialties**

If you are currently in a London Trust and will be remaining in a London Trust, the process will not change for you. If you already have an approved FTAF, you will not need to complete a new one until it expires, as usual.

If you are in a KSS Trust and plan to train in a London Trust, you will need to apply to London Deanery no matter what your specialty.

If you are in a London Trust and plan to train in a KSS Trust, you will need to apply to KSS Deanery.

If you are in a KSS Trust and will be remaining in a KSS Trust, you will need to apply to KSS Deanery. If you are in a KSS Trust and currently have approval from London for a post that lasts beyond 31<sup>st</sup> March 2011, please note that it will expire on 31<sup>st</sup> March and you need to contact KSS Deanery for the paperwork for 2011/2012. Any new approval forms sent to us from mid-July 2010 onward for a KSS post will be forwarded to KSS Deanery.

If you have any queries or require paperwork, you should contact:
